If You want to come alone, no problem! You are WELCOME!

But we think that it will be even more fun to come with friends. :)

One or more, You are all Welcome!

We prefer to work with small groups of 3-9 people, but are happy to arrange for larger groups to enjoy the Extreme Bulgaria experience.

We are happy to spend time with the novice and the experienced adventurer to make sure everyone enjoys their chosen activity.

Please drop us a line with any questions about groups.
